Haunted Happenings at the Balboa Theatre

It may still be August, but spooky season is calling so we're ready to follow Ichabod, meet Mr. Hyde, and do the Time Warp!

SAN DIEGO, CA — The historic **Balboa Theatre** is getting into the spirit of the season early with a lineup of haunting happenings, cult-classic thrills, and cinematic scares coming this fall. From the eerie magic of silent cinema to a legendary night in the *Time Warp*, audiences are invited to experience an unforgettable season of suspense, spectacle, and spooky fun.

Season Three of **Silent Movie Mondays** kicks off with two haunting silent classics, perfect to set the tone for an autumn filled with excitement—and just the right dose of mystery and scare from cinema's earliest storytellers.

On **Monday, September 21**, audiences can experience ***The Headless Horseman (1922)*** starring **Will Rogers**, accompanied live by acclaimed theatre organist **Ken Double**. Then, on **Monday, October 26**, the chills continue with the silent horror classic ***Dr. Jekyll and Mr. Hyde (1920)*** starring **John Barrymore**, featuring a live accompaniment by organist **David Marsh**.

With the Balboa Theatre's historic and purportedly haunted atmosphere serving as the perfect backdrop, **Silent Movie Mondays** brings these timeless films back to life with the power and excitement of live music with the **Wonder Morton Organ** which will certainly create an immersive moviegoing experience unlike any other.

But the scares don't stop there!

On **Sunday, October 11**, get ready to do the *Time Warp* again when **The Rocky Horror Picture Show** featuring **Patricia Quinn**. Join the original *Magenta*, for a special screening of the beloved cult classic in a new **4K restoration**, complete with a live shadow cast, audience participation, costume contest, and more.

For the ultimate *Rocky Horror* experience, exclusive **VIP Meet & Greet** tickets offer fans the opportunity to meet Patricia Quinn herself.

From the spine-tingling shadows of the silent screen to the outrageous, audience-powered spectacle of *The Rocky Horror Picture Show*, the Balboa Theatre is the place to embrace the thrills, chills, and unforgettable characters of the season.
